

# MISSION

To connect people into groups of four to ten who come together on a regular basis to love God, Love people, and Take action in their homes and communities. Actiongroup leaders will assist and guide group members on their journey

*OUR AIM IS TO BE A  
COMMUNITY THAT  
ENSURES THAT NO ONE  
WALKS ALONE.*

toward full devotion to Christ as together they practice spiritual disciplines (Bible study, prayer, confession, worship, community, service to others and recreation)

# WHAT WILL ACTIONGROUPS LOOK LIKE?

- will facilitate the development of community that is not possible on at actionchurch public services.
- will serve those both inside and outside of actionchurch. (example: Hospital visits for members...serving needy on the block.)
- will have an open seat and lifespan
- will birth new groups
- will facilitate the development of open and honest relationships (What happens at groups...stays at group.)
- will be leadership driven (groups are created around a qualified leader)
- will be "free market" (individuals are free to chose their group, and groups are created for any need in the community, once a qualified leader is identified)
- will participate in the life of the church
